

Thank you for your interest in the Missouri City Mayor's Youth Commission!

The Missouri City Mayor's Youth Commission (MYC) was formed in 1996, and is a coalition of students dedicated to representing the youth of Missouri City through civic leadership, in efforts to serve and improve the community.

Before applying to become a member, please read the below and attached program schedule in full so you will understand the program's attendance and service requirements.

Meetings are typically held the second Thursday of each month between October and May at the Missouri City Council Chambers in City Hall, 1522 Texas Parkway, unless otherwise noted in the program schedule. The first meeting will be an orientation and social for new and returning members to get to know one another in a fun and informal atmosphere.

Through meetings, members will hear from leaders in various roles of municipal government, local businesses and non-profit organizations, in order to learn about leadership qualities, the importance of community service, and focus on personal and professional development.

Community service is an integral part of the Mayor's Youth Commission, and members will have ample opportunities to serve the community through City special events and programs offered by the City's Parks & Recreation Department.

Meeting Attendance Requirements

Members are allowed two excused absences from meetings.
Unexcused absences will only be accepted for personal or family emergencies.

Volunteer Service Requirements

Volunteer opportunities will be announced at MYC meetings and via email.

Middle-school members are required to complete **5** volunteer hours.
High-school members are required to complete **10** volunteer credit hours.
11th and 12th grade members are required to complete **15** volunteer hours.

Details of the service project will be announced later in the year.

MYC members also have the opportunity to visit the State Capitol during odd-numbered years during Spring Break and other field trips as determined by the MYC coordinator.
